

FOLK CAMP

Do you want to see more people connecting through hands on learning? Do you want to see heritage crafts and folk traditions thriving? Do you want to see people engaging with their roots and finding meaning in community?

Make a [donation](#) to Folk Camp today!

Your donation, however big or small, directly supports and sustains the cultural work of Folk Camp Canada, whose mission is to connect people with the earth and one another by providing accessible community programming in the folk arts, with particular attention to the traditions of Ukraine and Eastern Europe.

You fuel folk learning and community building, and the preservation of Ukrainian, Eastern European and other cultural traditions at risk of disappearing.

Over the past five years, we've been able to offer dozens of *affordable and accessible* workshops, music & dance events, and a weeklong summer camp, each year, reaching thousands of people in Toronto, southern Ontario, and beyond.

We have been able to *offer this programming at affordable rates* solely through donations and the work of volunteers-- until now.

Now we need your help to meet the growing need for more programming-- more hands-on learning, more face-to-face connections, more enriching experiences.

We have revised our [membership program](#), and are pleased to offer new ways for you to become a major donor: as part of our *Firekeeper* and *Patron* memberships.

These new tiers recognize the importance of large contributions and allow us to thank you and honour you publicly for your investment in our future.

By becoming a [Firekeeper](#), you commit to a donation of \$100-\$500.

By becoming a [Patron](#), you commit to \$500-\$1000.

For both levels, you will receive a hand printed thank you card, and acknowledgment on the FCC website and in our Annual Report, as cherished supporters who keep our hearth fire burning! In addition, Patron donors receive two complimentary tickets to our Folk Melanka (our annual New Year's folk ball)

Please contact our director of fundraising Bozena Hrycyna at bhrycyna@gmail.com or 647 864 5641 to discuss, or make a donation online by filling out the enclosed form.

We appreciate the support and participation of all our *donors* this year and in the past, and look forward to another creative and spirited year together as an organization.

Thank you, for keeping folk traditions alive!
